TRIPPPLE

Plan smarter.

Book faster.

Travel better.

an all-in-one app, powered by AI, that helps travelers to plan their personalized trip and book everything in one place, without wasting time.

Made with GAMMA

The problem — An undigitized tourism market

19 M of tourists in Morocco in 2025. **No super-app to serve them.**

Most

abandon trip planning.

+6

travel apps on average

0

AI apps for the Morocco

The problem is real. The opportunity is huge.

Made with GAMMA

The solution — TRIPPPLE

One app. The entire travel experience.
from 4 hours of planning with 6 apps → to 30 seconds of tailored AI.

Finally, a super-app for the 19.8M tourists in Morocco.

BEFORE TRIPPPLE

- 6+ apps
- Groups = chaos
- Planning: 4h+
- Discovery: random

WITH TRIPPPLE

- 1 platform unique
- Groups = share, decide, organize
- Planning: 30 seconds
- Discovery: Personalized AI

Finally, a real solution.
